Purpose: Senior Project Technical Elective CoOp Other: _____

It is CPE's Program policy to assign a letter grade of "F" if a senior project has not been completed by the end of the quarter in which CPE 462 is taken. To remove the "F" grade, the student must re-enroll in a section of CPE 462 in a subsequent quarter. The grade will not be changed without the student retaking the course and filing the appropriate paperwork with the Registrar's Office.

Student: I have read and understand the statement above.

Faculty Member: I agree to supervise the student in the course listed above.
